

2023 ART SWAP

Carrollton Artists' Guild at Rockmart

The Rockmart Cultural Arts Center (RCAC) and Carrollton Center for the Arts (CCA) invites members of the Carrollton Artists' Guild to show at Rockmart this coming fall as part of the 2023 Art Swap program. Depending on the number of artists participating, each artist will have 1 – 3 artworks included. One artwork will be presented with a People's Choice Award during the exhibit.

GUIDELINES:

- Artists will submit an image of the artwork(s) they would like to display to the Visual Arts Coordinator, mkuykendall@carrollton-ga.gov, by July 17th. These images will be reviewed for selection to ensure that space is available for all accepted pieces and that pieces work well together within the space.
- With submitted images, information should include artwork title, dimensions, medium, price and date created. This will allow for planning and label making.
- Also, artists should note if they are able to deliver and pick-up artwork at RCAC on their own. This is the preferred method for transport. The CCA can deliver artwork for artists, but space may be limited. All artists who can deliver or pick-up their work or other artist's work to/from RCAC is appreciated. Those planning to leave their artwork at CCA must have it packed and labeled appropriately for traveling/shipping including protective covers, padding and boxes as artwork will be stacked and layered in a van for transport. The CCA does not have supplies to pack all artists' work.
